Mr. R. Brooks
International Liquid Plastics Pty Ltd
32 Woodbury Street
North Rocks N.S.W. 2151

Dear Mr. Brooks,

On investigating all the options for insulating our factory, we found the most beneficial and economical product to use was Insultec.

We carried out tests before and after application of Insultec and found that the internal temperature had been reduced considerably. The roof surface temperature on 31 degrees C day had been reduced by 8 degrees C.

Yours sincerely,

GRANT COE
