Dear Mr. Brooks,

It gives us great pleasure to convey to you my complete satisfaction with the results of the roof insulation paint that your company installed at my laboratory at Castle Hill.

The comfort benefit is obvious to all my staff. The cost saving to me in regards air conditioning will be appreciated. Last Friday, 21st October, when the outside temperature reached 40⁰C, the air conditioner was not needed until 2.30 pm.

With many kind regards,
Yours sincerely,

Dr. Phillip J. Baird
Pathologist.
